

2018

CLASSIC LATHE

A TRADITION OF INNOVATION™

FEATURING

- All Cast Iron Construction
- 2HP Motor
- Safety Guard
- Variable Speed
- Outboard Toolrest
- Digital RPM Meter
- Reversing Motor For Outboard Turning
- Dual Purpose Bed Extension

The Oliver 2018 Classic Lathe brings the Lathe back to the Oliver Line, and in true Oliver fashion. Starting with an all inclusive cast iron construction for torsional rigidity. Next, Oliver adds a reversible 2HP motor with a wide speed range for a variety of tasks. In addition, an RPM meter displays an accurate turning rate

so you can precisely adjust for any particular job. But the neatest feature on this lathe is the dual purpose bed extension which can be used for outboard turning or to increase the distance between centers to an incredible 57". Contact your Oliver dealer or call today to find out more about this fantastic machine!

2018

CLASSIC LATHE

THE INCLUDED OUTBOARD SUPPORT and tool rest allows a huge 35" swing over the bed.

THE TRADITIONAL VARIABLE SPEED pulley system eliminates the troubles prone to frequency drives.

Model No.	2018
Stock No. (2HP, 1Ph)	2018.001
Power Requirement	AC 230V
Main Motor	2HP, 1Ph, 220V Only
Swing Over Bed (in.)	18
Distance Between Centers (in.)	42 (57 w/extension)
Variable Speed (RPM)	200-2400
Speed Range 1 (RPM)	200-600
Speed Range 2 (RPM)	600-2400
Spindle	1-1/4"-8 TPI RH Headstock
Indexer	Up to 36 Flutes
Spindle & Tailstock Tapers	MT2
Spindle Bore (in.)	9/16
Face Plate OD (in.)	6
Centerline of Spindle to Floor (in.)	42-1/2
Overall Dimension (in.)	69 x 48 x 18
Gross Weight (lbs.)	910

A COMPARATOR JIG is included with the lathe.
